currently own.

A: I have a 16-year-old Shetland Sheepdog named Charlie who was born in France and was a beautiful, gentle and great show champion in the past. She is a fantastic companion nowadays. The second is a 6-year-old Shetland Sheepdog, who has a French Alouette bloodline, and a 2-year-old Curly-Coated

Retriever. I love my computer with great confidence. I am in luck with it.

Q: What is your motto in life?

A: Life is the greatest gift we have. Never stop believing in life until the very end. *see*
