

Organic Ear Wash

Organic Ear Wash

Description: Parasites, yeast infections and wax buildup are common pet ear ailments. Keep those ears free of bacteria, inflammation and odors with our non-medicated, naturally-therapeutic Organic Ear Wash. Our veterinarian-developed formula uses only the safest, gentlest organic herbs and botanicals to cleanse and protect. Naturally medicinal peppermint and spearmint provide cooling, soothing relief from pain, while tea tree oil, the natural wonder-drug, is replete with antibacterial, antimicrobial, antiseptic, antiviral, stimulating, anti-inflammatory, healing and disinfecting properties. Contains no witch hazel, which some animals are sensitive to. Available in 4oz size. [Visit the Website](#) **Price:** \$12.95
