

NATURAL DOG

Products to enhance a healthy canine lifestyle

RxMobility. Boost your dog's ability to heal and alleviate the discomfort from exercise and aging with RxMobility. **Discover the benefits of Cissus Quadrangularis, a botanical rich in Vitamin C and antioxidants, along with other 100% natural ingredients, in a convenient, chewable tablet.** Made in the USA, RxMobility's proprietary formula reduces joint inflammation and repairs damage while building stronger bones, ligaments, and tendons. rxmobility.ca

Opie & Dixie. Opie & Dixie Paw Balm saves paws. Winter or summer, a dog's paws are exposed to the elements. Cold, wintry weather and salt-covered paths or hot, scorching ground can do damage. **100% natural, organic, healing Paw Balm soothes dry, cracked, calloused, and sore paw pads with ingredients that hydrate, heal, protect, and restore.** Also available in convenient Pawstik applicator. opieanddixie.com

John Paul Pet. Botanically based and pH balanced for pets, John Paul Pet's four waterless cleansing products encourage owners to groom pets daily, **not only keeping their pets clean, but allowing detection of any lumps or abnormalities before they become a more serious problem.** Visit johnpaulpet.com for a list of retailers, including veterinarian clinics, near you.

Pet House Candles are specially formulated to freshen pet-loving homes. Every fragrance is made with an odor neutralizer and is infused with a signature blend of essential oils. **These hand-poured candles are made in the USA and crafted with 100% dye-free soy wax.** Burn time is approximately 70 hours. onefurallpets.com

Dogs Love Kale. Healthy Kale Treats! Kale is a super antioxidant full of essential vitamins for healthy skin and coat. **Your dog will love these gluten and grain-free kale treats in three delicious flavours:** Apple Crisp, Peanutty, and Punkin. 100% sourced and certified Made In the USA. dogslovekale.com

Oscar Newman. CocoTherapy's therapeutic-grade organic virgin coconut oil contains a minimum of 53% Lauric Acid and lower moisture content than grocery store brands. Grown and manufactured in the family-owned USDA certified organic coconut farm and facility, **this human-grade coconut oil is excellent for allergies, immune-support, and over-all anti-oxidant protection.** Learn more at cocotherapy.com
